Can you believe summer break is only 5 weeks away!
Here are a few family-friendly activities that may be of interest.

National Indigenous History Month

In June across Canada, we celebrate National Indigenous History Month, and on June 21st, we recognize National Indigenous People's Day.

Throughout the month of June, there will be opportunities to learn more about the Indigenous people of Edmonton, and about Treaty 6 Territory that we are privileged to call home. The City of Edmonton will be providing various opportunities to participate and learn. Information can be found at:

Green Shack Program

The City of Edmonton will be running free drop-in programs for children ages 6-12 at city parks around Edmonton throughout the summer. The times and locations of which parks will be offering this will be updated closer to July, and can be found at: https://www.edmonton.ca/activities_parks_recreation/green-shacks

Or by calling: 311
